

## **NMS Dumfries & Galloway Run 4th June 2017**

Run Leader - Ali\_works 07414121855

1. Please ensure that you have a full tank of fuel prior to starting the run. The run will begin and end at Abington Services where fuel is available.
2. Please be considerate and drive responsibly. There may be cyclists, farm animals and road contaminants (such as muck and gravel) on our route today.
3. Please look out for your fellow MINI driver. It always helps to keep the MINI behind you in sight so that they have someone to follow, particularly at junctions and roundabouts.
4. Please remember we are all here to have fun. Different people have different styles of driving. Please do not overtake or put pressure on other run participants. Also at times we may require to overtake (or be overtaken by) other road users. Please do so in a safe and considerate manner.
5. And finally please note that our run today is around 185 miles and that we aim to be finished by 4:30pm. If at any stage you feel this is too much or if you need to leave early then please feel free to do so. However we would ask that you let us know so that we can keep all MINI participants accounted for.

### **Sat-Nav Route**

If you have the option to enter multiple-stage designations in your sat-nav then the following order will match our intended route. There are two deviations however during the afternoon portion but these will be explained at the lunch break.

- |                             |                 |
|-----------------------------|-----------------|
| <b>1. Abington Services</b> | <b>ML12 6RG</b> |
| <b>2. Moniaive</b>          |                 |
