

NMS Loch Tay Run

Run Leader – Kieran (K333 KSC) JCW Mob: 07470209111

1. Please ensure that you have a full tank of fuel prior to starting the run.
2. Please reset your trip computer to 0 at both the start point and lunch stop. This will assist you in following the route notes detailed below.
3. Please be considerate and drive responsibly. There may be cyclists, farm animals and road contaminants (such as muck and gravel) on our route today.
4. Please look out for your fellow MINI driver. It always helps to keep the MINI behind you in sight so that they have someone to follow, particularly at junctions and roundabouts.
5. Please remember that we are all here to have fun. Different people have different styles of driving. Please do not overtake or put pressure on other run participants. Also, at times we may require to overtake (or be overtaken by) other road users. Please do so in a safe and considerate manner.
6. Finally, our run today is around 130 miles. We aim to complete our run by 3-4pm. If, at any stage, you need to leave then please feel free to do so. All we ask is that you let us know so that we can keep all MINI participants accounted for.

The run will begin at Dobbies Stirling (FK9 4UF) where fuel is available just round the corner and coffee.

Lunch Stop is in Aberfeldy (PH15 2AF) Where there is Fuel, Toilets Cafes Etc
